Protrans BC update: tentative deal with BCGEU

Protrans BC is pleased to inform everyone that we have reached a tentative deal with the **BC Government and Service Employees' Union (BCGEU)** who represent our Canada Line unionized employees.

Canada Line passengers can expect services to continue as usual now that a strike has been averted.

We are optimistic a fair agreement has been reached for both parties. Details of the agreement cannot be released at this time as the deal must still be ratified by employees.

We want to express our appreciation to the BCGEU negotiating team for their ongoing professionalism in working together for the betterment of our employees.

Protrans BC looks forward to continuing our award-winning, industry-leading performance with our valued employees.

Further developments and updates will be added to the news page on <http://protransbc.ca>.

Thank you.
